

CLAIRMONT ANIMAL HOSPITAL

Boarding/Bathing/Drop-Off Agreement

Boarding and bathing are provided by our hospital as a service to our clients. Reservations are required. For pet's protection, **all vaccines and a fecal test must be current.** Required canine vaccinations are DHLPP, Rabies, and Bordetella (**EVERY 6 MONTHS**). Required feline vaccinations are FVRCP and Rabies. Clairmont Animal Hospital is not responsible for any personal belongings left with your pet. Boarding charges are calculated by the number of nights pet stays in the hospital. If your pet requires medications to be given while they are boarding there is an additional charge per day.

Should your cat or dog become sick or injured during his/her stay, the veterinarians will treat him/her. Any external or internal parasites will be treated during pet's stay, at your expense. If pet has fleas, we will administer capstar for an additional cost to prevent infestation of our facility and other pets. You will be charged for all services rendered. It is strongly recommended that you leave a phone number where you may be reached in the event of an emergency. If we cannot reach you or the contact person you designate, we have authorization to act in the best interest of your pet. **Payment is due in full at the time of your pet's discharge.** We accept cash, check, MasterCard, Visa, Discover & Care Credit.

We are open with extended hours for your convenience (7:30am-7:00pm, Mon-Fri; 8am-5pm, Sat; and 1-5pm, Sun). Please pick up your pet during these hours. If you cannot pick up before closing on any given day, we will board your pet until the following day. Please be informed that we are not a 24-hour hospital. We do not provide afterhours staffing. **For safety reasons, please do not ask our staff to release your pet after closing.**

I agree to pick up my pet within 4 days of the scheduled discharge date, unless I notify Clairmont Animal Hospital of any changes. My pet may be considered abandoned if I do not. In my failure to recover my pet, I understand that I am still legally responsible for any charges incurred during my pet's stay at Clairmont Animal Hospital.

***Due to the risk of injury, we will not provide bedding or toys for your dog(s)/cat(s) unless you specifically request it. Please understand that some dog(s)/cat(s) will chew/eat bedding/toys which pose a serious health hazard.**
